

Protettori per cilindri e Mostrine

**Shields and Defenders anti-drill
for cylinders**

**Plaquettes et Protecteurs
anti-perçage cylindres**

SERIE 1940 | 1840 2500

PROTETTORI ANTITRAPANO CILINDRI

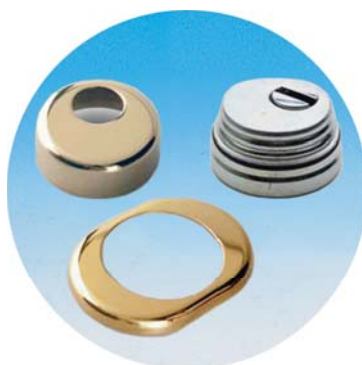

Defenders anti-drill
cylinders

Protecteurs anti-perçage
cylindres

Protettori antitrapano in acciaio
cementato
per cilindri a profilo Europeo.
Completi di mostrina di finitura.

Drill-proof and hardened steel protectors
for European profile cylinders.
Supplied with finishing shield.

Protecteurs anti-perçage en acier cimenté
pour cylindres à profil Européen.
Fournis avec plaquettes de finition.

**Protettore antitubo antitrapano per cilindro interasse
viti 32 mm diametro 50 mm**

**drill-proof protector anti tube for cylinder screw d
istance 32 mm - 50 mm**

**protecteur anti tube pour cylinder entr'axe
vis 32 mm - 50 mm**
